## **San Manuel Casino among first in the world to achieve health security verification from Sharecare and Forbes Travel Guide**

**Highland, CA** (January 11, 2021) — San Manuel Casino is proud to announce that it is among the first entertainment venues in the world to become *Sharecare Health Security VERIFIED® with Forbes Travel Guide*. The comprehensive facility verification helps ensure that guests and travel planners can visit with confidence at properties that have appropriate health safety procedures in place.

This verification comes with an easily identifiable “seal of approval” – the *Sharecare VERIFIED® with Forbes Travel Guide* badge – based on the property’s compliance with expert-validated best practices that minimize the risk and impact of COVID-19 and potential future public health events.

“This recognition is a testament to the Tribe’s values and unwavering desire to put people first, as well as our team members’ relentless efforts and dedication to safety,” said General Manager Peter Arceo. “During the closure of the casino, we worked tirelessly to create one of the most robust safety plans in the country. We trained all our employees under the guidance of medical experts, introduced new technology to minimize touchpoints, and made rigorous modifications throughout our entire property.”

Developed by [Forbes Travel Guide](#), the global authority on genuine Five-Star service, and digital health industry leader [Sharecare](#), the comprehensive verification covers more than 360 standards across health and hygiene protocols, cleaning products and procedures, ventilation, physical distancing, the guest experience, and health safety communication with guests and employees. Properties are required to verify their health protocols on an ongoing basis to ensure continued compliance with the most up-to-date global health standards.

“The pandemic has made it clear that venues must, first and foremost, assure guests of their safety,” said Filip Boyen, CEO of Forbes Travel Guide. “By becoming *VERIFIED®*, San Manuel Casino has demonstrated its commitment to creating a culture of accountability and following global best practices to heighten health security, certified by a third party.”
